

Regain Mobility with Instaflex® Advanced

Just one small capsule once a day can lead to more comfortable joints in as little as 7 days.

CLINICAL STUDIES SHOW:

- **AprèsFlex®** improves joint stiffness and discomfort by more than 60% when compared to placebo after 90 days.*
- **UC-II® Collagen** significantly reduces knee discomfort and is twice as effective as glucosamine plus chondroitin after 90 days.*
- **BioPerine®** significantly enhances the bioavailability of nutrients through increased absorption.*

PRECAUTIONS: Use only as directed. Take with food if you experience stomach upset. Consult a healthcare practitioner before use if you are pregnant or nursing, have a serious medical condition or use any medications. For adult use only.

Keep out of the reach of children. Keep product at room temperature and humidity [59-86°F (15-30°C), 40% RH].
