

Organic Nature's Moringa™ Powder

The variety of Moringa Oleifera used in our **Nature's Moringa™** powder possesses superior nutrients in its compound. The finest leaves are hand harvested at the right stage and are **flash freeze dried to protect and enhance** the essential nutrients. As a result, the aroma, taste, color, and flavor of our Moringa Oleifera are preserved.

Contains **NO** sugar, starch, artificial color, flavor, preservatives, corn, soy, yeast, wheat, grain, egg or milk product.

Moringa Powder Food Supplement

Go Natural.

Choose **Nature's Moringa™**.

Moringa Oleifera, called the Miracle Tree for its exceptional nutritional value and enormous benefits to humanity, is a backyard tree for daily use in millions of homesteads in India. For centuries Moringa has been used as a healing plant to treat over 300 diseases.

Moringa Leaf is a potent source of bio-available essential vitamins and minerals. It is rich in essential and non-essential amino acids and anti-inflammatory compounds. All natural nutrients make it the best natural nutritional supplement ever!

Moringa Powder is an excellent addition to many recipes. It can be used effectively as a thickener for soups and sauce recipes. Moringa Powder can also be sprinkled on top of many dishes before they are served including meats, stews, soups and salads. You receive all the nutritional benefits that come with eating Moringa Powder with every spoonful.
