

Black Seed Oil has been used for thousands of years across cultures as a powerful traditional remedy. From the seeds of the flowering *Nigella sativa* plant, and known as "the seed of blessing," this oil contains a unique blend of Omega-6 and Omega-9.

At Nature's Way®, we're dedicated to providing you with the best the earth has to give, and that's why we source quality ingredients from the lands where they grow best. Our organic, unrefined Black Seed Oil comes from the Middle East, the indigenous growing region of the *Nigella sativa* plant and the highest quality source of black seed oil.
