Ultra SKINNY MINI® pumps up the energizing nutrition and puts you on the fast track for weight loss success! Building on the award-winning SKINNY MINI formula, Ultra SKINNY MINI delivers even more amazing weight-management nutrition — including exciting new natural factors for antioxidant support, cognitive function, and exhilarating energy! And, Ultra SKINNY MINI's cutting-edge bilayered tablets allow you to get the amazing weight management advantages of both rapid-release and sustained-release benefits! Supercharge your metabolism, lose weight, and feel great — with fast and easy Ultra SKINNY MINI!

Like original SKINNY MINI,

- Ultra SKINNY MINI helps reduce cravings for food
- Ultra SKINNY MINI increases energy naturally
- Ultra SKINNY MINI helps increase metabolism
- Ultra SKINNY MINI is 100% ephedra-free

Ultra SKINNY MINI supercharges the effectiveness of your weight loss efforts and further supports overall well-being:

- Ultra SKINNY MINI provides more key nutrients for efficient and effective metabolism
- Ultra SKINNY MINI supplies more energy precursors
- Ultra SKINNY MINI nutritionally supports healthy brain, liver and heart function

Free from artificial colors and preservatives.

**PHENYLKETONURICS:** Contains phenylalanine.

**DIRECTIONS:** As a dietary supplement, take two tablets with 8 oz. of water in the morning and, for maximum results, two tablets at mid-afternoon. Individuals weighing under 150 lbs. may wish to begin use with one-half the recommended serving for the first week (one tablet once or twice a day). For best results, use as part of a reduced fat diet and exercise program.

**WARNINGS:** Do not take in the evening. Do not exceed 2 servings per day. Not intended for persons under 18 years of age. Do not use if you are pregnant or nursing or allergic to tyramine or chocolate. The recommended serving of this product (2 tablets) contains about as much caffeine as a cup of coffee (100 mg) and should not be taken by individuals wishing to eliminate caffeine from their diet. Limit use of caffeine-containing medications, foods and beverages while taking this product, because too much caffeine may cause nervousness, irritability, sleeplessness and, occasionally, rapid heartbeat.

**KEEP TIGHTLY CLOSED IN A COOL, DRY PLACE.**

**KEEP OUT OF REACH OF CHILDREN.**

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
