

USAGE: Take 1 capsule 1 to 2 times per day on an empty stomach or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, or are taking medications, consult your healthcare professional before using this product.

L-Carnitine is an amino acid found in high concentrations in heart and liver tissues where, inside the cells (mitochondria), L-Carnitine helps transform fats into energy (i.e., ATP).* L-Carnitine also facilitates the metabolism of carbohydrates to enhance ATP production.*

L-Carnitine works synergistically with Co-Q10, an antioxidant and ATP production cofactor that is found in the inner membrane of the mitochondrion.*

Keep out of the reach of children.
