

SYNTHA-6® is a premium protein shake that delivers 40g of muscle building protein to support your recovery, while offering superior flavor that will have you believing it's your cheat day.

Recommended Use: For Post-Workout Recovery: Begin drinking 1 SYNTHA-6® shake immediately upon completing your workout.

Suggested Use: For healthy adults, consume enough protein to meet your daily protein requirement with a combination of high protein foods and protein supplements throughout the day as part of a balanced diet and exercise program.
