Healthy Digestion of Foods*

Digestive enzymes promote the efficient digestion of fats, carbohydrates and proteins.* Enzymes work by releasing nutrients from food and helping them get absorbed within the digestive tract.*

Total Digestive Support*

The Dual Action™ Digestive Complete formula contains *Lactobacilli*, *Bifidobacteria* and Digestive Enzymes to provide complete support for healthy digestion.*

Helps Support Regularity*

Probiotics and enzymes help prevent occasional constipation, gas and bloating.* This combination promotes healthy function throughout the digestive tract.*

High Quality Formula

No artificial colors
or preservatives

Vegetarian

Researched
probiotic strains

20 Billion Active Cultures, Guaranteed!

Fortify™ guarantees each serving will deliver 20 billion live cultures up to the date of expiration.

Innovative Delivery

Each capsule is resistant to the harmful effects of stomach acid, and distributes live cultures to the proper area of the small intestine and colon, right where they're needed most.

Shelf Stable

No refrigeration necessary. This product is guaranteed to maintain stated potency until the date of expiration when stored under recommended conditions.

Potency of live cultures measured
in Colony Forming Units (CFU).
