Vitamin E, one of the antioxidant
essentials, helps protect the body
against cellular membrane damage
caused by harmful chemical substances
called free radicals. Vitamin E also helps
promote cardiovascular health.*

Warning: Pregnant or nursing women,
individuals taking medication(s) or persons
who have a health condition should consult
their physician before using this product.

*These statements have not been evaluated
by the Food and Drug Administration. This
product is not intended to diagnose, treat,
cure, or prevent any disease.
