## SynaptaLean<sup>™</sup> Rx-Fat Loss<sup>™</sup> Promotes Successful, Sustainable Fat Loss

SynaptaLean<sup>™</sup> Rx-Fat Loss<sup>™</sup> is the miracle solution for anyone who has ever tried to lose body fat and failed. SynaptaLean succeeds where everything else falls short. With most weight loss methods, your brain fights you every step of the way. The brain's metabolism-regulating systems think that reduced calories mean famine, so it compensates by storing more food energy as body fat. SynaptaLean researchers have discovered a unique combination of nutrients that tell your brain to stop fighting your weight loss efforts.

SynaptaLean replaces your stress and anxiety with energy and vitality you need for successful, sustainable fat loss! SynaptaLean Rx-Fat Loss, with patented Synaptose<sup>™</sup>, permits healthy brain function that regulates:

- **Energy production and control**
- **Appetite and craving control**
- **Tolerance to stress**
- **Healthy neuro-endocrine function**
- **Healthy immune function**

**SynaptaLean Rx-Fat Loss is a Whole New Way to Think About Fat Loss!**

**THIS IS NOT A PRESCRIPTION PRODUCT. It is a dietary supplement made with the highest possible quality standards.**
