DIETARY SUPPLEMENT • 60 VEGETARIAN CAPSULES

Phytocannabinoids

Standardized full-spectrum supercritical CO₂ extract, supplying a complete natural profile of active components*

ECS Blend

Clove, Rosemary, Oregano, Carrot and Flax deliver natural support to tone the body's Endocannabinoid System*

CannaSorb™

Proprietary blend of Sunflower Lecithin, Black Pepper Extract, Acacia and Cocoa to maximize phytocannabinoid absorption*

AmLexin™

Powerful acacia catechins, highly active mulberry flavones and stilbenes promote healthy control of inflammatory molecules*

Boswellia serrata Extract

Boswellic acids promote healthy regulation of the enzymes that play a role in the normal inflammation process*

Longvida® Optimized Curcumin

With absorption superior to other forms, patented Longvida Optimized Curcumin extract provides unparalleled absorption and activity*

Longvida® is patent-protected by US 9192644, EP 1993365, additional patents pending, and is a registered trademark of Verdure Sciences Inc.

IFC 1138220

Nutritional Support for Healthy Inflammation Response.*

HempCeutix Relief by Nature's Plus® is cutting-edge nutritional support from the power of nature itself! HempCeutix Relief provides an effective concentration (5 mg) of hemp phytocannabinoids plus Cannasorb™ complex of synergistic phytonutrients for maximum results. HempCeutix Relief also features Longvida®, AmLexin™ and high-potency Boswellia for additional nutritional support. Grown and extracted in Europe, then manufactured in the USA by Nature's Plus, HempCeutix Relief delivers superior support for maximum activity.*

DIRECTIONS: Two capsules daily, or as directed by a qualified health care professional.
