

Suggested Use: Take one (1) tablet daily preferably with the first meal of the day or as recommended by your health care professional.

Indicacion: Tomar una (1) tableta diariamente, preferiblemente con la primera comida del día o según recomendación médica.

Description: Bio Nutritions Maca-Max is an ultra-potent form of gelatinized Maca Root in a once daily 1,000 mg tablet. Gelatinized Maca has undergone a comprehensive purification process removing unwanted pathogens, toxins and starches that are found in standard Maca products. Gelatinized Maca is up to 90% more absorbable than non gelatinized Maca Root.*

Descripcion: Maca Max de Bio Nutrition es una presentación ultra potente de raíz de Maca gelatinizada en una tableta de 1.000 mg para tomar una vez al día diariamente. Maca ha experimentado un completo proceso de purificación, removiendo toxinas u organismos patógenos y féculas no deseadas encontradas en productos comunes de Maca. Maca gelatinizada es 90% mas absorbible que la raíz de Maca no gelatinizada.*
