

USAGE: Take 1 capsule per day with food or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

DIM + CDG supports multiple detoxification pathways involved in healthy hormonal regulation.* Calcium D-Glucarate (CDG) supports glucuronidation, which is an important pathway in detoxification.* BioResponse DIM® provides the cruciferous indole, Diindolylmethane (DIM), which is also involved in the liver's natural detoxification process.* DIM + CDG supports healthy estrogen and testosterone balance in both women and men.*

**Keep out of the reach of children.
Suitable for vegetarians/vegans.**

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
