FAST ACTING LONGEST LASTING FAT BURNER!†

RECOMMENDED USE: As a dietary supplement, the maximum recommended serving is three MELTDOWN® capsules. However, begin use with one to two MELTDOWN® capsules daily to assess tolerance. Never exceed more than three total capsules daily or in a single dose. As a dietary supplement take MELTDOWN® upon awakening.

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 OR THOSE WITH A MEDICAL CONDITION. DO NOT USE IF PREGNANT OR NURSING. Consult a physician or licensed qualified health care professional before using this product if you have, or have had a family history of heart disease, thyroid disease, diabetes, high blood pressure, depression or other psychiatric condition, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) or any other dietary supplement, prescription drug, or over-the-counter drug containing ephedrine, pseudo ephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight-control products). Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Individuals who are sensitive to the effects of caffeine or have a medical condition should consult a licensed health care professional before consuming this product. Do not use this product if you are more than 15 pounds over weight. The consumer assumes total liability if this product is used in a manner inconsistent with label guidelines. Do not use for weight reduction. Do not consume synephrine or caffeine from other sources, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Contains caffeine. Do not use for more than 8 weeks. Discontinue use two weeks prior to surgery. **KEEP OUT OF REACH OF CHILDREN.**

†When used in conjunction with increased exercise and a reduced calorie diet.

†These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
