Warning: Pregnant or nursing women, individuals taking medication(s) or persons who have a health condition should consult their physician before using this product.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Glucosamine is a basic building block in the formation of cartilage, ligaments, tendons and bones, which are needed for the healthy structure and function of joints. MSM (methylsulfonylmethane) helps to support joint comfort and flexibility.† Adding Glucosamine + MSM to a healthy diet may:

- *Nourish joint connectivity tissue†*
- *Provide building blocks for healthy cartilage†*
