

USAGE: Take 1 capsule per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Glutathione is the most abundant intracellular thiol (i.e., a compound containing a sulfhydryl [SH] group) and low molecular weight tripeptide found in living cells.* Thiols such as glutathione, alpha lipoic acid and N-acetyl-L-cysteine (NAC) are powerful sulfur-bearing antioxidants.* The antioxidant functions of **Glutathione Reduced** include recycling vitamins E and C and serving as a critical free radical scavenger to support antioxidation in all types of tissues.*

Keep out of the reach of children.
