

Give Your Immune System a Boost!

Spending time in crowded environments or feeling tired, stressed, and less than your best? Give your immune system a jumpstart with **Booster C 600™** and keep going strong.*

Booster C 600 immune support supplement was carefully formulated by USANA scientists using an exclusive blend of ingredients shown to support healthy immune defenses.* The soothing lemon-berry flavored powder can be mixed with water or taken straight for a delicious dose of the highest-quality zinc, echinacea, elderberry, and USANA's proprietary **Poly C®**.
