** Daily values not established.

Other Ingredients: highly purified water, citric acid, natural & artificial flavors, Sucralose® brand sucralose, malic acid, sodium benzoate (preserves freshness), potassium phosphate dibasic, potassium sorbate (preserves freshness), potassium citrate monohydrate and calcium citroform EDTA.

Allergen Warnings: Manufactured in a facility that processes soy.

Contains no fruit juice.

RECOMMENDED USE: Shake well prior to use. Always begin use with one-half bottle (4oz.) of MELTDOWN® daily to assess tolerance. Never exceed more than one bottle daily. Do not consume MELTDOWN® on an empty stomach. Consuming MELTDOWN® on an empty stomach may cause nausea.

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician or licensed qualified health care professional before use. This product if you have, or have a family history of, heart disease, thyroid disease, diabetes, liver and kidney disease, cardiac arrhythmia, recurrent headache and high blood pressure, depression or other psychiatric condition, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) aspirin, non-steroidal anti-inflammatory drugs and antidepressants or any other dietary supplement, prescription drug, or over-the-counter drug containing epinephrine, pseudoephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight control products). Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Individuals who are sensitive to the effects of caffeine or have a medical condition should consult a licensed health care professional before consuming this product. Do not consume synephrine or caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Do not use for more than 8 weeks. Discontinue use two weeks prior to surgery. Do not use this product if you are more than 15 pounds over weight. The consumer assumes total liability if this product is used in a manner inconsistent with label guidelines. Do not use for weight reduction. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. Not recommended for use by children under 18 years of age. One serving of MELTDOWN® provides 115mg of caffeine, which is less than one and a half cups of coffee. **KEEP OUT OF REACH OF CHILDREN.**
