

shake up a classic day!

Want proof that your daily supplement works? How about 20+ years' worth? Reliv Classic®, Dr. Theodore Kalogris's original groundbreaking formula, combines a synergistic blend of healthy soy protein, vitamins, minerals, amino acids and select herbs to set the industry standard for complete and balanced nutrition. Gone is the guessing game of mixing and matching bottles of vitamins. Reliv is nutrition made simple.

why shakes work

One word: bioavailability. When dissolved in liquid, as in a Reliv shake, nutrients are absorbed more easily, giving the body instant access to the nutrients they contain and providing greater benefit from each serving.

directions

Add Reliv Classic to water, juice or milk — one scoop per 4 oz. of liquid — and shake or blend until creamy. Two scoops provide a daily serving. Many consumers enjoy optimal benefits by taking one scoop two times per day. For added benefits, use in combination with other Reliv nutritional formulas.
