

USAGE: Take 1 capsule per day with a meal or as directed by your qualified healthcare professional.

NOTE: Do not exceed 1 capsule per day without first consulting your healthcare professional. If you have a medical condition (especially bleeding disorders), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially blood-thinning or blood-clotting medications), consult your healthcare professional before using this product.

Jarrow Formulas® NattoMax® is a highly-purified Nattokinase with vitamin K removed. Nattokinase is naturally occurring in traditional Japanese food (natto) fermented by *Bacillus subtilis* subsp. *natto*.

NattoMax® is concentrated without solvents. Each capsule offers 2000 Fibrinolytic Units. Nattokinase is a fibrinolytic enzyme that supports healthy circulation by its effects on serine protease-mediated digestion of fibrin.*

Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

The use of JNKA MARK is authorized ONLY for those products that have met the strict standard criteria set by JNKA.
