

USAGE: Take 1 softgel up to 3 times per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Phosphatidylserine (PS) is a naturally-occurring phospholipid and is a component of cell membranes.* Phosphatidylserine is the most abundant phospholipid present in the brain and supports healthy cognitive function.* **Jarrow Formulas® Cogni-PS®** is a concentrated form of phosphatidylserine from sunflower lecithin that offers superior stability, does not contain soy and is not derived from genetically modified organisms (non-GMO).

Sharp-PS® is a registered trademark of Enzymotec Ltd., manufactured and protected under U.S. Patent # 8,324,187.

Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
