

DHA Fish Oil Concentrate

A rich source of docosahexaenoic acid (DHA, C22:6 omega-3). DHA is important for maintaining the fluidity and function of cell membranes, particularly in the retina and the brain.*

Suggested Use

As a dietary supplement, 1 or 2 softgels two or three times daily with meals, or as directed by a healthcare practitioner.

Variations in product color may occur. Keep in a cool, dry place, tightly capped.
