

Suggested use: Take ½ to 1 teaspoon, every 2–4 hours or as needed. For children above the age of 2 years old, adjust amount to ¼ to ½ teaspoon per dose.

This herbal syrup supports bronchial comfort and well-being while supporting healthy mucous membranes in the respiratory tract.*

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product. Keep out of the reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
