

USAGE: Take 1 softgel per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, consult your healthcare professional before using this product.

Cells produce Ubiquinol, the active antioxidant state of Co-Q10, which is significantly better absorbed, particularly as we age.*

QH-absorb® is a proprietary, enhanced-stability formula, clinically shown in humans to increase Co-Q10 levels by 215% at 100 mg per day and by 777% over baseline at 300 mg per day.

Keep out of the reach of children.
