

USAGE: Take 1 softgel up to 3 times per day with food or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, consult your healthcare professional before using this product.

Q-absorb® is a proliposome lipid-soluble delivery system clinically shown in humans to increase Co-Q10 levels by nearly 400% over baseline with exercise and 3–4 times better absorbed than chewable Co-Q10 tablets. Co-Q10 supports heart function as a component of the electron transport system, needed for ATP (i.e., energy) production within the cells, and as an antioxidant protects mitochondrial membranes and cholesterol from oxidation.* Jarrow Formulas® Q-absorb® restores Co-Q10 levels reduced by the use of statins.*

Jarrow Formulas® Co-Q10 is derived from fermentation and consists only of the natural trans configuration, the same as is synthesized in the human body. Jarrow Formulas® supports clinical research on Coenzyme Q10.

Keep out of the reach of children.
