

Natural Vitamin E is an essential nutrient and is the body's primary, fat-soluble antioxidant.* Vitamin E provides nutritional support for the immune system.* It helps fight cell-damaging free radicals that can cause oxidative stress in the body, which may contribute to the premature aging of cells.* This formulation provides natural Vitamin E as d-Alpha Tocopherol, and mixed tocopherols including d-Gamma, d-Delta, and d-Beta Tocopherols. It is offered in plant oil-based, vegetarian softgels to support optimal absorption and assimilation.*
