The SILVER BIOTICS® Difference

American Biotech Labs®

SILVER BIOTICS® Molecule

- Patented metallic nano-silver particle with a thin multi-valent Ag₄O₄ silver oxide coating
- Multiple modes of action
- Silver particle is part of the structure of the water and as such is much more stable and bioavailable

Other Competitors'

Ionic / Colloidal Silver Molecule

- Ionic or colloidal silver particle
- Limited to only one mode of action
- Silver Particle is temporarily suspended in water
