

Cellulose Powder

Cellulose is an insoluble fiber derived from plant sources. Insoluble fibers may regulate transit time and support the health of the GI tract.*

Suggested Use

As a dietary supplement, 1 teaspoon mixed in water, two to three times daily before meals, or as directed by a healthcare practitioner. Sensitive individuals may want to start with less.

This product is the purest obtainable. It is free of all common allergens (antigens) and does not contain artificial additives.

Keep in a cool, dry place, tightly capped.
