Herbalifeline® is a specially formulated blend of highly refined marine lipids with high quality Omega-3 fatty acids, eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help to maintain a healthy cardiovascular system by maintaining cholesterol and triglyceride levels already within a normal range.* Taking DHA regularly also helps to support normal brain function and vision.* Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

RECOMMENDED USE: Take 1 softgel, 2 to 3 times per day, preferably with a meal.

KEEP IN A COOL DRY PLACE, OUT OF DIRECT SUNLIGHT.

30-day money-back guarantee. This exclusively formulated product is only available through Herbalife Independent Distributors.

Recycle this bottle.
