Total Immune Support*

The combination of Vitamin C, Zinc and probiotics support your immune defenses throughout the entire year.*

The Importance of Zinc

Zinc is an essential trace element that supports healthy immune function.* With 100% of the recommended daily value of Zinc, this formula provides daily support for your immune system.*

Healthy Digestive Function*

The Dual Action™ Immune Defense formula contains *Lactobacilli* & *Bifidobacteria* to support overall digestive and immune health, giving you a great foundation for your busy day.*

High Quality Formula

20 Billion Active Cultures, Guaranteed!

Fortify™ guarantees each serving will deliver 20 billion live cultures up to the date of expiration.

Innovative Delivery

Each capsule is resistant to the harmful effects of stomach acid, and distributes live cultures to the proper area of the small intestine and colon, right where they're needed most.

Shelf Stable

No refrigeration necessary. This product is guaranteed to maintain stated potency until the date of expiration when stored under recommended conditions.

Potency of live cultures measured in Colony Forming Units (CFU).
