20 Billion Active Cultures, Guaranteed!

Fortify™ guarantees each serving will deliver 20 billion live cultures up to the date of expiration.

Innovative Delivery

Each capsule is resistant to the harmful effects of stomach acid, and distributes live cultures to the proper area of the small intestine and colon, right where they're needed most.

Shelf Stable

No refrigeration necessary. This product is guaranteed to maintain stated potency until the date of expiration when stored under recommended conditions.

Potency of live cultures measured in Colony Forming Units (CFU).
