IMMUNE SUPPORT*

Zinc is involved in carbohydrate, protein, fat and energy metabolism and helps support the immune system.* As an important mineral, zinc is also essential for cell division and growth.*

Suggested Use: As a zinc supplement for adults, take one caplet daily with the meal of your choice.

Caution: If you are pregnant or nursing a baby, if you are taking any medication, have a medical condition or are planning to have surgery, ask a doctor before using this product.

Keep out of reach of children.
