

Zinc Picolinate

Zinc picolinate is a unique, bioavailable source of this essential mineral. Zinc is involved in multiple enzymatic, hormonal and other body functions. Zinc is especially important for maintaining healthy skin, immune system functions, and male sexual and prostate health.*

Suggested Use

As a dietary supplement, 1 capsule daily with a meal, or as directed by a healthcare practitioner.

This nutrient is of the highest quality and purity obtainable, is free of all common allergens (antigens), and does not contain preservatives, diluents, or artificial additives.
