

Recommendation: As a dietary supplement, take two capsules two to three times daily. KB should be used in children only with guidance of a health care professional.

Keep out of reach of children. Store in a cool, dry place. Do not use if safety seal is missing or broken.

Warning: Do not take if you are pregnant, nursing, or have high blood pressure. If you suffer from kidney disorders, acid urine, irritated digestive conditions, or inflammatory kidney disease, do not take this product without consulting your doctor. May cause green color in urine. Discontinue use if nausea or upset stomach occurs. Long-term (more than 2-3 weeks) use of Uva Ursi is not recommended. If taking any medications or experiencing any health issues, consult your doctor before use.
