

Gastroenterologist
Developed

First in Class

Atrantil is unlike any other product. It is a unique combination of polyphenol extracts that work together to relieve digestive issues and provide digestive support.

Targeted Treatment

Atrantil targets the small bowel to provide relief where it is needed, where digestive issues begin.

Intestinal Support

Atrantil reduces overall gut irritation and helps with gut motility.

Powerful Antioxidant Combination

Atrantil provides protection from cellular damage caused by oxidation.

Everyday Support

Atrantil is ideal for every day, overall digestive support of both the small bowel and the colon.

Gastroenterologist Innovation

Atrantil was developed by a board certified gastroenterologist for treatment of digestive issues.

ATRANTIL®
AHH - TRAN-TEAL

What makes Atrantil Unique?

Atrantil was researched and created by a board certified gastroenterologist to provide overall digestive health and successfully help those suffering from Bloating and Abdominal Discomfort. Providing safe and reliable bowel support is our priority, and as shown through studies, Atrantil can deliver daily relief.

Atrantil is a One of a Kind botanical blend of polyphenols to help those suffering from Bloating and Abdominal Discomfort while protecting overall digestive health.

Complete Digestive Defense- Targets problem bacteria at its source, in the small bowel, and provides support for the colon.

Stay Healthy – Over 80% of the immune system is in the gut. Gut microflora balance is essential to good health. Atrantil contains essential flavonoids and polyphenols, helping the body maintain its balance.

Have Confidence – Atrantil is Gluten-Free, Non GMO and Vegan delivering only the purest ingredients and best in manufacturing. Made in the USA in a cGMP and UL certified facility, Atrantil provides confidence.
