

Recommended Use: As an adult dietary supplement thoroughly mix 1 tablespoon or more of powder with 3 oz. of room temperature water. Take once daily or as directed by a physician.

Bifidobacterium bifidum and Lactobacillus acidophilus are found in normal healthy intestinal flora and help rebuild and/or maintain a desirable balance between the various intestinal microorganisms.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not to be used by pregnant or nursing mothers unless directed by a physician. Keep this and all dietary supplements out of the reach of children. Store in cool dry place with cap tightly sealed. **Refrigeration recommended after opening.** Strict quality control is maintained during each step of formulation.
