

EstroPrime

EstroPrime provides key vitamins, minerals, and EstroG-100™, a unique blend of botanical extracts, for nutritional support during menopause and perimenopause.*

Suggested Use

As a dietary supplement, adult females take 2 tablets daily, or as directed by a healthcare professional. For best utilization, take immediately before breakfast.

Keep in a cool, dry place, tightly capped.

WARNING: Not for use by pregnant or lactating women.
