

Vitamin E

DL-alpha-Tocopheryl Acetate is a pure and stable form of Vitamin E, hypoallergenic, and suitable for oral supplementation by hypersensitive individuals.

Suggested Use

As a dietary supplement, 1 softgel one or two times daily with meals, or as directed by a healthcare practitioner.

This nutrient is of the highest quality and purity obtainable, is free of all common allergens (antigens), and does not contain preservatives, diluents, or artificial additives.

Appropriate for food-sensitive individuals.

Keep in a cool, dry place, tightly capped.
