Nature's Plus[®] AgeLoss[®] Joint Support nutritionally promotes the anabolic anti-aging activities that rebuild and rejuvenate cartilage and joints, while countering catabolic oxidation and destruction.* AgeLoss Joint Support includes:

TendoGuard[™]: This restorative system includes four essential collagen types and hyaluronic acid, lubricating joints and bathing them in anabolic factors that promote regeneration and repair of cartilage.*

REJUVABOLIC[™] Full Spectrum Antioxidant Blend: Our powerful over 3000 ORAC anabolic antioxidant complex counters the hydroxyl free radicals that attack connective tissues.*

FIRST DAY[™] Healthy Inflammation Response Blend: Whole foods and nutrients such as olive fruit, turmeric, and Thione Complex[™] promote healthy inflammation response.*

Glucosamine: The key building block of connective tissues, glucosamine optimizes repair, regeneration and lubrication of cartilage. Glucosamine also blocks cartilage-destroying enzymes and possesses antioxidant activity.*

ReceptoMax[™] Chondroitin: This unique form of extended-release chondroitin optimizes exposure of chondroitin to intestinal immune system receptors.*

AprèsFlex[®]: This *Boswellia serrata* standardized extract works better and 28% faster than the 7-day *Boswellia* extracts in competitive joint supplements.*

Manganese: Manganese helps activity of superoxide dismutase (SOD), one of the body's most powerful antioxidant enzymes supporting healthy joint function.*

AgeLoss Organic Gold Standard Potentiating Nutrients amla and rice protein optimize these age-defying nutrients.*

In fighting catabolic joint destruction and encouraging anabolic cartilage regeneration, Nature's Plus AgeLoss Joint Support takes an entirely new approach to promoting youthful joint comfort and flexibility!*
