

Tricycline

A unique herbal formulation for GI probiotic balance.* The culmination of efforts to combine probiotic enhancers into a mixed formulation.*

Suggested Use

As a dietary supplement, 1 or 2 capsules, two or three times daily with meals, or as directed by a healthcare practitioner.

CAUTION: Artemisinin is not indicated for pregnant or nursing women. Long-term administration (greater than 1 month) should be monitored by a healthcare practitioner and include liver enzymes and hemoglobin testing. Combining with antioxidants or iron may theoretically decrease effectiveness. Detoxification reactions may be experienced by some individuals. In rare cases may cause idiosyncratic liver dysfunction.

Variances in product color may occur. Keep in a cool, dry place, tightly capped.

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
