† Daily values not established.

Additional Ingredients: Highly Purified Water, Citric Acid, Natural and Artificial Flavors, Malic Acid, Sucralose® Brand Sucralose (a non-nutritive sweetener), Sodium Benzoate, Potassium Phosphate Dibasic, Potassium Sorbate and Disodium EDTA.

RECOMMENDED USE: Shake well prior to use. Always begin use with one-half can (4oz.) of REDLINE® daily to assess tolerance. Never exceed more than one can daily. Do not consume REDLINE® on an empty stomach. Consuming REDLINE® on an empty stomach may cause nausea.

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR CONTEMPLATING BECOMING PREGNANT OR NURSING. Consult a physician or licensed qualified health care professional before using this product if you have, or have a family history of, heart disease, thyroid disease, diabetes, high blood pressure, depression or other psychiatric condition, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder or if you are using a monoamine oxidase inhibitor (MAOI) or any other dietary supplement, prescription drug, or over-the-counter product containing ephedrine, pseudoephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight control products). Do not exceed recommended serving. Exceeding recommended serving may cause adverse health effects. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Individuals who are sensitive to the effects of caffeine or have a medical condition should consult a licensed health care professional before consuming this product. Do not use this product if you are more than 15 pounds over weight. The consumer assumes total liability if this product is used in a manner inconsistent with label guidelines. Do not use for weight reduction. **KEEP OUT OF REACH OF CHILDREN.** Do not consume synephrine or caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing synephrine or caffeine. Do not use for more than 8 weeks. Use of this product may cause your skin to be extra sensitive to UV sources, such as artificial or natural sunlight. Avoid excessive exposures from these sources. Discontinue use two weeks prior to surgery.
