

TMG

Provides trimethylglycine (TMG), needed to metabolize homocysteine into methionine, and for DMG (dimethylglycine) production.*

Suggested Use

As a dietary supplement, 1 capsule one to three times daily before meals, or as directed by a healthcare practitioner.

This nutrient is of the highest quality and purity obtainable, is free of all common allergens (antigens), and does not contain preservatives, diluents, or artificial additives.

Keep in a cool, dry place, tightly capped.
