Help All Your Joints Feel Great!

BosMed® Joint Comfort delivers clinically studied boswellia and curcumin along with devil's claw that effectively support the cushioning collagen and healthy cartilage structure in joints throughout your body. That means more flexibility, strength, mobility, and comfort wherever you need it.*

Move Your Best, Every Day

Every ingredient in **BosMed® Joint Comfort** supports you from your head to your toes—for comfort, flexibility, and mobility each and every day.*

- **Boswellia:** The uniquely-standardized boswellia delivered by **BosMed Joint Comfort** features up to 10 times higher levels of beneficial AKBA than plain boswellia. It supports joint health and flexibility.*
- **Curcumin:** The only clinically studied curcumin extract containing turmeric essential oil with turmerones for better blood retention, and greater benefits overall. It is a key ingredient, working synergistically with our boswellia extract and has been proven to support joint comfort and function.*
- **Devil's Claw:** This special, standardized extract supports joint lubrication. In a scientific study, it increased hyaluronic acid synthesis in chondrocytes—the collagen-producing cells in cartilage—by an average of 41%!
