

USAGE: Take 2 tablets 3 times per day (for a total of 6) with meals to facilitate maximum absorption, or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, or taking medications (especially warfarin/Coumadin), consult your healthcare professional before using this product.

Ultra Bone-Up® provides StimuCal™ ossein MicroCrystalline HydroxyApatite (MCHA) (from free-range New Zealand calves), which includes the superior combination of the inorganic calcium lattice of MCHA within an organic protein milieu. StimuCal™ is rich in native type I collagen—the predominant protein found in bone—and has been clinically demonstrated not to disproportionately spike calcium blood levels as do other forms of calcium, such as the citrate and carbonate salt forms. StimuCal™ is combined with vitamin D₃, vitamin K₂ (as MK-7 from natural fermentation [a more bioavailable form of vitamin K]) and JarroSil® Activated Silicon® to support the deposition of calcium into the bones, as well as to assist in building up the organic bone matrix.* Also included for optimal osteo support, are potassium citrate (systemic alkalizer) and MBP® (Milk Basic Protein) (activates osteoblasts and decreases osteoclast activity).* Bone Up® also supports cardiovascular and arterial health.*

HEALTH CLAIM: Adequate calcium and vitamin D as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis later in life.

Keep out of the reach of children.

Supplement Facts

Serving Size 6 Tablets
Servings Per Container 20

	Amount Per Serving	% DV
Vitamin C (as Calcium Ascorbate)	200 mg	220%
Vitamin D ₃ (Cholecalciferol)	50 mcg (2,000 IU)	250%
Vitamin K ₂ (as Natural MK-7 [Menaquinone-7])	90 mcg	80%
Calcium (Elemental) (from StimuCal™ Microcrystalline Hydroxyapatite)	1,200 mg	90%
Magnesium (as Magnesium Oxide)	500 mg	120%
Zinc (L-OptiZinc®) (as Zinc L-Methionine Sulfate)	10 mg	90%
Copper (as Copper Gluconate)	1 mg	110%
Manganese (as Manganese Citrate)	1 mg	45%
Potassium (as Potassium Citrate)	99 mg	2%
JarroSil® Silicon (Activated Silicon® Proprietary Formula of Molecular Clusters of Stabilized Silicic Acid)	10 mg	†
Boron (as Boron Citrate)	3 mg	†
MBP® (Milk Basic Protein)	40 mg	†

† Daily Value not established.

Other Ingredients: Cellulose, stearic acid (vegetable source), hydrolyzed bovine collagen, magnesium stearate (vegetable source), silicon dioxide and a food-grade coating.

Contains: Milk and soy (in trace amounts).

No wheat, gluten, egg, fish/shellfish, or peanuts/tree nuts.
