Nature's Plus® AgeLoss® Sleep Support is the first-ever supplement that promotes sleep by countering sleep-destroying, catabolic factors that accumulate with age. AgeLoss Sleep Support supplies brain antioxidants, as well as powerful melatonin and neurotransmitter precursors to help you reestablish the youthful, rejuvenating sleep cycles you deserve. Revolutionary AgeLoss Sleep Support includes:

Fully Potentiated Total Sleep Control: Nobody knows your sleep needs better than you. That's why AgeLoss Sleep Support lets you control the sleep nutrients you get. One tablet gives you an effective 3 mg melatonin boost, while two tablets give you a powerful 6 full mg of melatonin. And, no matter which strength you choose, each milligram of melatonin comes potentiated with nutrients that promote the production of sleep-generating neurotransmitters, including serotonin-boosting 5-HTP, L-Dopa, casein decapeptides and melatonin-maximizing 6-MBOA.

REJUVABOLIC™ Full Spectrum Antioxidant Blend: Achieving more than 3000 total ORAC value, this vibrant complex of antioxidant-packed botanicals such as grape seed, wild bilberry and blueberry, plus key anti-aging compounds trans-resveratrol and quercetin, contains a wide array of powerful antioxidants that are customized to sustain your natural cellular sleep-generating functions.

FIRST DAY™ Healthy Inflammation Response Blend: Antioxidant-dense whole foods and nutrients, such as olive fruit, turmeric, and Thione Complex™, promote healthy inflammation response.

Nature's Plus Organic Gold Standard Potentiating Nutrients optimize these anti-aging sleep factors.

Countering oxidative stress and age-related sleep disruptors, Nature's Plus AgeLoss Sleep Support takes a never-before-seen approach to promoting youthful, restful and restorative slumber!
