For the Prevention of

✓ Gas ✓ Diarrhea ✓ Bloating

associated with Digesting Dairy**

32 Caplets Single-Serve Pouches:
1 Caplet per Serving

**This statement has not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

THIS PRODUCT offers PREVENTIVE RELIEF from DIARRHEA, GAS and BLOATING that many people with lactose intolerance experience after eating foods containing DAIRY.**

HOW DOES THIS PRODUCT WORK?

- This product makes dairy foods easier to digest and helps prevent symptoms of lactose intolerance by breaking down lactose (milk sugar).
- This is a dietary supplement containing a natural lactase enzyme, and is NOT A DRUG.
- This product works by a NATURAL PROCESS and may be used by everyone ages 4 years and older.

HOW DO YOU USE THIS PRODUCT?

- Swallow one caplet with your FIRST BITE of dairy foods.
- You may adjust the dose to two caplets at one time if necessary.
- If you continue to eat dairy foods after 30-45 minutes, taking an additional caplet is recommended.

HOW OFTEN CAN YOU USE THIS PRODUCT?

- This product may be used every time you eat foods containing dairy. It can be used every day with every meal or dairy food.

DO NOT USE IF SINGLE-SERVE PACKETS ARE TORN OR OPEN.

Before using: read all package directions.

See bottom of carton for expiration date.

Consult your Doctor if you experience any symptoms which are unusual or seem unrelated to the condition for which you took this product.
Keep out of the reach of children.

Store at room temperature (below 77°F), but do not refrigerate. Keep away from heat.
