

FibroBoost®

FibroBoost® contains SEANOL®-F, a patented powerful extract from a specific species of brown seaweed *Ecklonia cava*, rich in phlorotannins/polyphenols with uniquely strong antioxidant properties.* These polyphenols are 40% oil-soluble, and have a metabolic half-life of up to 12 hours.

Suggested Use

As a dietary supplement, 1 to 3 capsules two times daily before meals, or as directed by a healthcare practitioner. Do not exceed 6 capsules in a 24 hour period. Not recommended for children under 12 years of age unless under the care of a physician.

Keep in a cool, dry place, tightly capped.
