More of What You Need, Less of What You Don't

**Boswellia needs special attention
 to be truly beneficial.**

BosMed® 500 features an advanced boswellia extract that is expertly balanced. It starts with carefully cultivated boswellia. Then it is uniquely standardized to provide more AKBA—an important compound—and virtually no pro-inflammatory beta-boswellic acid. You get more of what you need and less of what you don't.
