

SLOW-RELEASE, ANTI-CATABOLIC PROTEIN

KAGED MUSCLE® KASEIN™ is an ultra-premium cold processed Micellar Casein Isolate that is carefully manufactured from hormone and antibiotic free milk by an innovative microfiltration process. This filtration method preserves the structural integrity of the protein ensuring that the finished product maintains its natural micellar structure as it is found in milk.

Micellar Casein Isolate digests slowly (up to 8 hours) supplying a sustained release of muscle building amino acids into the bloodstream, making it ideal for nighttime or prolonged periods throughout the day without protein.*

Micellar Casein Isolate contains naturally occurring levels of branched-chain and essential amino acids (BCAAs and EAAs) + L-Glutamine that can assist in the maintenance and growth of muscle.*

WHY KAGED MUSCLE® KASEIN™?

- 100% Micellar Casein Isolate
- Naturally Flavored
- Less Than 1% Lactose
- Gluten Free
- Banned Substance Free
- Third-Party Tested
- No rBST Hormones
