Organic fermented adaptogens, Amla and Tulsi, blend to support immunity and the body's natural stress response.*

Amla, India's traditional superfruit, has been used for thousands of years in Ayurveda to provide rejuvenation, and as a tonic for overall health.*

Tulsi (Holy Basil) has been used for more than 5,000 years to support immunity, stress response, and the body's natural detoxification process.*

Our herbs are fermented using complementary probiotic strains to improve digestibility and biological enrichment.*
