

Solution of Magnesium

Magnesium Chloride

A highly absorbable form of magnesium, formulated to keep the potential for gastric irritation to a minimum.

Suggested Use

Dilute prior to ingestion. As a dietary supplement, 1/2 teaspoon diluted in eight ounces of your favorite beverage, two or three times daily, or as directed by a healthcare practitioner.

This nutrient is of the highest quality and purity obtainable, is free of all common allergens (antigens), and does not contain preservatives, diluents, or artificial additives.

Appropriate for food-sensitive individuals.

Refrigerate after opening.
